CHAPTER 3
HAITO DIAMOND
weasel's slash

TÔRU

Tokiwa Tooru
The young head of the Tokiwa Group. A cruel, violent person with a taste for SM. He is scheming to get his hands on Joe

NEZU

Nedu Kyousuke
The section chief of the feared Tokiwa Group in the Ditch Plank Street area. He is Joe's protector. He might also be Joe's father

OTOJI

Kirishima Otoji
He appeared in Yokosuka in search of his older brother Seiichi. A young man with a pure heart. He is troubled by his own desires to monopolise Joe.

JOE

Airan Jou (Joe)
Normally known as Hustler Joe. Makes a living using his face and body. His mother is an idol known as the Yokosuka Lily.

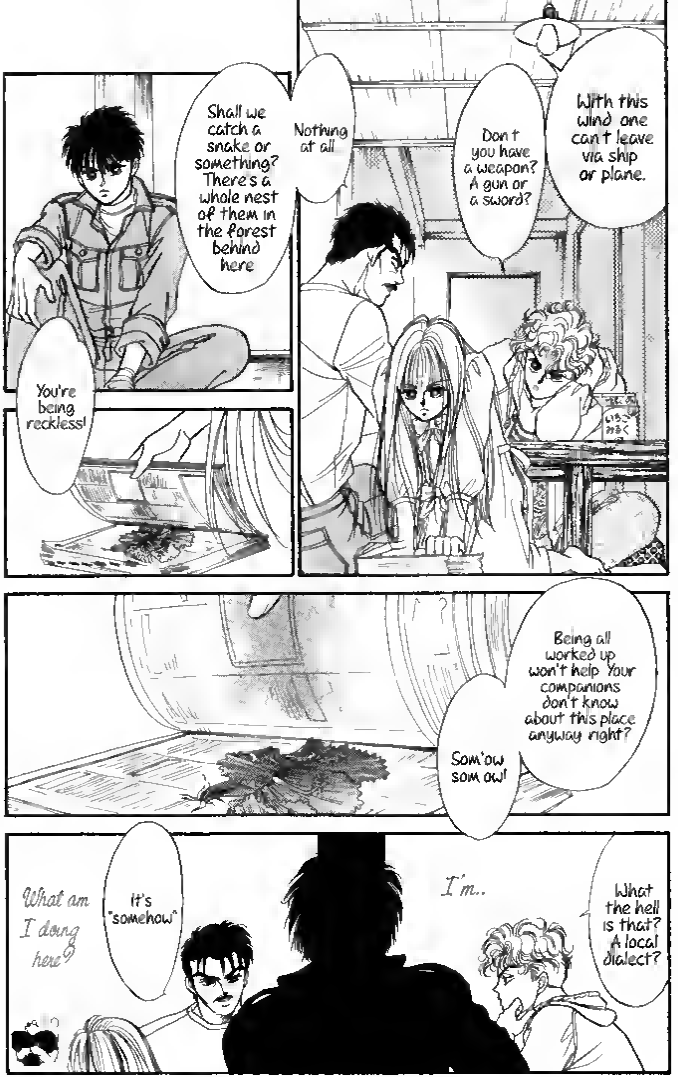
STORY

In order to find his missing brother Seiichi, Otoji went to Yokosuka where he met a mysterious boy named "Hustler Joe". He was extremely surprised at the way Joe sold his own body to earn a living, but since he had nowhere else to go, Otoji became a freeloader in Joe's flat. After they started living together, Otoji became strongly captivated by a Joe who had an intense personality and only cared about his own pride. As a result, they managed to narrow the gap in their mind as well as in their bodies.

Then, Otoji found out that the man Joe was going out with at the moment, Nedu from the Tokiwa group, was the very one who killed his brother, so he bought a pistol to take revenge on him. However, due to the division inside the Tokiwa group, Nedu was killed by the bullets of some gangsters.

To Joe, together with the momentary happiness, the existence of Nedu also gave birth to the feeling of sadness that could never fade away. Therefore, after he disappeared, Joe started to lead a vapid life, until he met Tooru Tokiwa. Tooru had a passionate attachment to Joe and also told him information on Nedu, the one who had ran away to protect himself from getting killed. One day, in an attempt to protect the life of Otoji, Joe gave into a threat and told where Nedu was living, Ishigaki Island..."

I felt as if it all became suddenly clear
Ever since I met Lily, by chance, the other day,
Jou.
.....Aren't you going to run away?



With this wind one can't leave via ship or plane.
Don't you have a weapon? A gun or a sword?
Nothing at all
Shall we catch a snake or something? There's a whole nest of them in the forest behind here
You're being reckless!
Being all worked up won't help. Your companions don't know about this place anyway right?
Som'ow som ow!
What the hell is that? A local dialect?
I'm..
it's "somehow"
What am I doing here?

In this family
Kirishima
Otaji
But we're dragged into this for no reason.
You broke the gang's moral code so there's a reason they want to punish you
It's natural that you're hated by you former companions. You abandoned them and ran off!
...I can't sympathize with you

Did you come here to kill me? To get revenge for your brother?
I'm not a murderer! I'm different from you!
...I wanted to ask you...
My brother...
Where is the body of Kirishima Seiichi that you killed?!
...In Tokyo Bay.

This girl
Is the younger sister of Joe?
Turn yourself in!
Receive the punishment of the law!
No matter how much you lecture me I'm a gangster.
Once you're stuck in this murky business there's no way to get out of it

I can't leave my daughter alone
Until last year she had been living in Chicago with her adoptive father. Hence, she can't speak Japanese.
On top of that
Her heart is more fragile than glass. She won't accept anyone other than me
Whatever she wants, I'll give her. My life is hers.
If Yuri leaves me... at that time you can do whatever you like to me.
aren't both your children?
How can that be?
Even though their mothers are different.
SLAM

Ouch!
What's the matter with your finger?
It's all your fault! You should know!
Ooh...! Somehow this is...
Wiggle Wiggle
Well, first is a meal and also both of you go take a bath. You both stink.
For now we'll stay and rest here but as soon as the wind stops it's time to leave.

EH! IS THAT SO? IT'S THAT BAD!?
Stink huh?
APOL
Stink
Stink
Stink
Stink
DAY

Are you awake?
give me a goodnight kiss
Daddy

Goodnight, Daddy
Good dreams, baby....

That's a kiss that you're used to giving kids huh?
Don't come any closer
I was attracted here by the smell
A female's smell.
That attracts males.
GRR

If you touch her, I'll kill you
Even though you said it's pure like snow this place is all heated up
Would you like me to put you to bed too?
...
It's burning hot
Yes, dad.....

Ah!
Twitch
Bang
Knock
Thud
Ahh!
Ahh!
Ah!
Ah!
Ah

AH!
AHH...
AHH...
AH!
AH!
Oooh, I knew it.
Even if we're companions, our morals are different.
Brother.
Brother wanted to sleep with me...
.....Feels disgusting.

UNN...
UNNN...
whOOOsh
Oranges
RUM
Ah did we wake him up?
After I've gone through the trouble to try to keep my voice down.
Well your voice rang out didn't it? I made it do so
THE GIRL AGAINST YOUR BACK IS SO WET TOO....

Haaaa!
AAH!
...AH!
AH!

SPLASH
I will be back where I belong!
If Joe leaves with Nedu, I
No matter what way he looked at me, it's better than my being unable to see me again.
Brother.
my brother
I want to see you.
I don't want to be alone! Stay at my side!

Someone
....
You too. You weren't really into it either. Is it because of that brat?
Is it because of your daughter?
Hey you didn't ejaculate early.
This is the first time you've done it for more than 15 minutes.
How much have you heard about Yuri... Is it from Kirishima's elder brother?
RUMA
Yuri huh...? Regretfully that's her alias.
Please love me. ..

Original name Eliza Nelson Age 14.
Daughter of the American dancer that you were with before you abandoned Lilly and me.
The ones that brought her up are the mother's brother and his wife.
The mother died of an illness 8 years ago.
...You took her away a year ago.
I didn't know
About her death.
Or that I had a daughter.
I thought... that she went back to her hometown to get an abortion.
...Is she really your child?
Kirishima Saiichi was a pretty good investigator. huh, finding all that out?
CAUTION!

I was charmed by that
The woman was of good conduct so the only man with her at the time was me.
And there's this.
You're in so much danger. Don't you think it's better if you don't bring her along?
My Grandmother had it too
So does Yuri
I don't have a choice.
Her foster father's wife contacted me

Saying "Your daughter is a slut that is making eyes at my husband."
It's not Yuri's fault
That girl...
Has been sexually abused by her foster father all the while.
That's why she doesn't know a "fatherly kiss".
You should have taught her.
That's a problem of course.
Yeah.
Because she's my daughter
Joe
I won't sleep with her

Where are you escaping to?
The nearest foreign country from here is Taiwan.
Maybe I'll go to Ou's place.
What? Another one of your lovers?
A chef in Hwa Xi Jie*
Heh~ So are you going to be a cook or something this time?
*NOTE: HWA XI JIE - NAME OF A PLACE IN TAIWAN. PRONOUNCES AS KASEIGAI
...Joe
Will you come with us?

As a preventive measure!
So that you won't jump your own daughter!
... How can there be a father that's not in love with his daughter!
I know the reason why you don't kiss me...
And,
Is that the reason you have sex with me...
Lily was no virtuous woman I don't have the birthmark either
The wind's dying down.
!?

SHOOSH
JOE...!!
Can't
talk
at...
That
I'm
falling
apart
Why
...?
all
over...

Why did you still sleep with him despite your being hurt like this!?
If I don't do that,
Who would love me!?
Twitch

Zhh Zhh Zhh
You won't do.
There's too many things that you have
A family
A saxo-phone
A future
I want someone that has nothing
Someone that belongs only to me... That only wants me!
...If you'll throw everything away I will, too.

ZAA ZAA ZAA
Don't ask for unreasonable things
Even if I die I won't part from my bike
What a selfish brat!
Who's the unreasonable one here...!
ZAA ZAA ZAA

He's probably fleeing to overseas now.
Yes... What about you? The interrogation with the cops..?
They settled the case by labeling it as an internal strife within the Yakuza.
Aren't you.
Going to see Nedu?
I look pathetic right now, don't I?
...Joe --
I'll go take a look at her first.

How can I let him see me like this!
Slide
JOE--!!
You're just afraid to admit defeat! You better not regret this...!
IF THERE ARE THINGS YOU WANT TO SAY TO HIM, YOU SHOULD DO IT NOW
BUT KEEP IT SHORT.
Beep

Joe is your son, right?
...Is that what he said?
If so,.. that's fine too.
You mean he's not!?
Any man in Yokosuka can be his father.
Lily was such a woman.
I was attracted by that side of Lily.... And we lived together

But as the child grew older
The suspicions in my heart grew
But when I carried him in my arms he would stop crying. Heheh... What a cute child
He was quite a difficult child.....
And so, Joe was born.
Just that once but I couldn't stop thinking about it
either in Lily or me...
Once I saw a trait of him that was not
You're alike..
It's something that I would have known had I really checked but I never had the courage

You two are really alike Both of you
Aren't honest and hate losing like mad
Only in this shape... It's not embraced closely
Kirishima Seichi
Your brother is still alive

SHOCK
I only shot his leg.
And with a stubborn look on his face he said
IT'S FINE IF YOU KILL ME, I'LL JUST GET REINCARNATED.
So I introduced him to a gang in Taiwan.
On the surface it was as if I had eliminated him.
In truth, it's what they call "human laundering."
Taiwan?!
My brother is in Taiwan?!

My brother
Is ..... alive!!!
Beep
Beep

Where is it!? That's gang's name!?

I'll go call for Joe! Hey!

Yuri...
Where are you now, Joe--
Are you alright?!
Hey! I won't know if you keep quiet!!
.....
Nadursan is on the brink of death already
What do you want me to do, Joe--?

Hurry up and come back. This hellhole is boring without you around
.....I've got it.
Heh
Huh?
Even though he's at death's door right now
Hey, he's still alive

Have you taken care of the other 3?
Yeah that's definitely done
Next time shoot the head if you're aiming to kill Sakai!
Y-Yes! Sorry, boss!
Taipei is pretty warm, huh? The snow's piling up over here
You're doing good huh Sakai?
It's all thanks to you letting me have a break now
Well take it slowly until the heat here cools off
Thank you...

Get rid of him.
Yes, sir

"Kill Sakai for me please!"
"Use the cruelest method beyond imagination!"

But,
I'm sorry, brother

Oto! Go make breakfast!!
Nn..
Let me sleep a little more... I worked 'til really late yesterday
I'm hungry!
Go make it yourself
A person who doesn't work shouldn't even eat
I'm busy with baby-sitting!

Then stop lazing around and take her out to play! out to play!
She hasn't been out even once ever since she came here.
Jeez! So trouble some
You take her out! You don't have to work today and tomorrow right?
I'd do it if I could.
You know very well...
That she's scared of me...
wriggle
wriggle
Hey ! Behave yourself!
Get along properly with him, or I'll be annoyed at you!
Look she's sulking again isn't she?
JOE!

AH, WHY DON'T WE DO THIS? THE WEATHER'S GOOD TODAY, SO ALL 3 OF US WILL GO FOR A WALK TO THE BAY GARDEN!
Then... you'll bring your saxophone along too
.....
In truth, my left little finger can't move freely.
Especially on cold days, it can barely move at all.
Going on a date, Captain?
Yup, to Hakone.
Like an old man!
Even though you are 28!

Maybe, I'm sick of playing solo songs...
I guess she's looking at that?
Over there. There's a part of the road that's looks kinda different...
!?
But, the reason that I've barely touched my saxophone isn't because of that.
Yuri! Don't drag your feet, hurry up and come here!
It's a cat!
Twitch
What are you doing Otoji!
I'm going to move it to the side of the road
Even though it's lying in plain sight... no one's taken care of it
Just leave it alone!
Cats that are road kill will turn into dandelions
Lily used to say that.

"Comes spring, the cat that dissolves into the road,
Will become blooming yellow flowers that grows up through the asphalt."
So I used to think that the fluffy things on a bridal headdress was a cat's fur
What a foolish kid I was.
As we talked about Lily, a dreamlike image of who Lily was...
Gradually formed in my mind.
Let's go.

That was an image of myself
Even if I die by the roadside one day,
No one would care, and everyone would just step on me
I'm hungry
Jeez.. you're unbelievable
Reduce your speed
Until I become a part of the road itself...
Am I your slave?
Well go ahead first
Oto,ji! Go buy some Kentucky Fried Chicken.
The small flowers that soon bloom
But this guy might become aware of it
Don't make such a fuss you freeloader!
Grr ...!

Recently, I delight in the selfish demands of my companions
If I can't do that, I won't be able to date Joe but.
SORRY TO HAVE KEPT YOU WAITING, SIR
Maybe I'm a masochist!
Daiei
Now, come to think of it.
Stop flinching!
I have to do this casually and get it over with.
It's almost been a month.
